

Parents,

Listed below is a the website for any high school student that is part of their school's TOB marching band and is interested in participating in the Philadelphia Thanksgiving Day TOB All Star Parade.

This is an event that you would do on your own (cost, transportation, practice, etc.) it is not sponsored by the school.

Students have participated in the past and it has been an enjoyable experience.

The cost last year was approximately \$ 100.00 There was a mandatory practice on the Wednesday prior to Thanksgiving and the parade on Thanksgiving Day itself in Philadelphia.

The openings fill up fast. There is a form that the band director and school principal must fill out, but all the forms and information are available on the site. It is a very well organized event.
