February 4, 2010

Dear Teachers, Administers, Staff and Parents:

The High School Band Boosters are putting together a cookbook, which we would like to include recipes collected from the teachers, staff and administrators of the school district as well as parents of the band students or members of the community. In addition to collecting recipes we thought it would be nice to have the high school art department do the artwork for the cover and the different sections of the book. The name of the cookbook will be "The Smyrna School District Cookbook", Sponsored by the Band Boosters. We haven't seen this type of cookbook in the Smyrna/Clayton area in a while so hopefully it will go over very well with the community and schools. Our goal is to collect at least 300 recipes and will be taking pre-orders in hopes of selling at least 300 books. More of course would be better. The price of the cookbook will be \$12.00. In order to meet the delivery deadline for the end of May, we will be collecting recipes and need the artwork completed by the end of February. All of the recipes and artwork need to be turned into the publisher the first week of March. The publishing company has a 45 to 55 business day turn around which is the reason for the tight schedule.

Any recipes or orders collected at the high school can be turned in to Ms. Ganska. I am hoping the offices at the other schools would be able to collect them for us and we would pick them up from them once a week.

On behalf of the High School Band Boosters I would like to thank you and your staff for your support in this fundraiser.
